

Our Process

The Assignment

Read it carefully 2-3 times
all members of the team

The Ideation

After we gather all the facts, we brainstormed to find the big idea. We chose a local fitness star for the main part.

Scenario Map

Shooting

Post Processing

- Audio
- Colors
- Adding After Effects Text

Testing & Improving

Feedback for future projects

The Research

Our team gathers all relevant materials for the project. We borrowed all needed technology from KEA. We have explored A-Frame and what it can do.

Concept development & planning

- Concept
- Plot & Script
- Actors
- Place
- Light
- Time

Stitching

Building A-Frame Webpage

Uploading on Fronter

Result: Scenario map & link to A-frame webpage that contains 360 videos with After Effects content
